United States Indian Service,

Sacred Hop Agency,

S. I. April 22<sup>nd</sup> 1885.

Hon J. D. Atkins

Commiss. Ind Affs

Washington D.C.

Sir

I have the honor to acknowledge receipt of Department Circular No 1448 dated 6<sup>th</sup> inst, and to inform you of my inability to submit a census of the Indians at this agency in strict conformity thereto. It is my desire & purpose to do any and all things faithfully & cheerfully required of me by the Department in connection with my official

position, never shrinking from duty  
it matters not how laborious, but  
in case of an impossibility as  
this clearly is, I feel it my duty  
to lay the facts before you and  
ask, what shall it do?

I have under my charge six diff-  
erent tribes of Indians on four reservations,  
very much scattered and speaking  
as many different languages. Two of  
these tribes the Sac & Fox, and Iowa  
are actually Indians whom I can  
enumerate according to the require-  
ments of the Circular from their annu-  
ity pay rolls. There are some 500  
unauthorized Indians scattered through-  
out the several reservations.

My Indians are scattered over an area of about 36 x 70 miles with no system of roads and a very rough country, every family will have to be seen in order to make this census list, which is a work of at least three months for an expert man with the assistance of an interpreter. My force is inadequate to the labors of this agency, and most especially so during this quarter; it being the cattle gathering season I am compelled to send my herders to remote round-ups to catch cattle that have strayed off of their range during the winter months, this forces me to double the work on other employees. I have

only two herders, they are now  
absent after stray cattle, and will  
of necessity be away from their  
herds looking up the strays for the  
next three months, in their absence  
the cattle on their respective ranges  
(there being three different herds here) have  
to be looked after daily to keep them  
together, and keep outside cattle-  
men from driving them away, this  
work requires more or less of the  
time of the Supt at the St. Lawrence  
school, the Supt at Kickapoo and  
the Supt at the Sac & Fox school,  
the carpenter, blacksmiths, farmers  
& are kept busily engaged in  
their several departments, and

in general work all the time,  
my time, and that of the clerk is  
fully occupied for at least 12  
hours per day.

All that it seems poss-  
ible for me to do, will be to gather  
the most correct general data  
and estimate therefrom.

I hope you will fully  
appreciate my situation and  
direct me what to do under  
the existing circumstances.

Very respectfully,  
Isaac A. Taylor  
U.S. Sub Agent

Hon. John H. Oberly,

Commissioner of Indian Affairs,

Washington, D. C.

Sir:

I have the honor in reply to  
Office letter, <sup>"H" of May 31<sup>st</sup> ult.</sup> to forward census  
of the Iowa and Sac & Fox of the  
Miss. tribes of Indians, and to state  
that it is impossible to obtain a  
census of the Mexican Kickapoo,  
Absentee Shawnee and Citizen Pottawa-  
tomie, other tribes at this agency,  
without an expense for irregular clerical  
labor, and even then, with much difficulty,  
owing to these Indians being distant  
from the agency, very much scattered,

over their reservations and many of them  
at this season of the year visiting  
or engaged in hunting.

I would suggest that an  
approximate estimate of the number  
of the tribes named be made after  
consulting the headmen of the tribes,  
as has been done heretofore.  
And if this is unsatisfactory to the  
Department, that the sum of \$150<sup>00</sup>  
be allowed for the purpose of taking  
a census and that this office be advised  
by telegraph of the authority, in order  
that the work could be commenced at once,

Very respectfully,

Your Obedt servant,

Moses Neal  
U.S. Ind. Agt.

August 25<sup>th</sup> 1890.

Hon. Thomas J. Morgan,

Commissioner of Indian Affairs,

Washington, D. C.

Sir:

I have the honor to forward the Census of the Iowas and Sac & Foxes, also the School statistics of this Agency - the enumeration of the Citizen Band of Pottawatomies, Mexican Kickapoo and Absentee Shawnees are now being taken for the Census Bureau, and upon its completion I will secure therefrom the required statistics for those tribes, incorporating the same in my Annual Report.

I shall not be able to forward my Annual Report before the 10<sup>th</sup> proximo, owing to the extra work imposed upon me by the Census Bureau, which

United States Indian Service,

together with frequent councils with the  
Sacs & Foxes over the provisions etc  
of their late Treaty and other agency  
matters have occupied most of my

reasons I trust I may be pardoned  
for the delay:

I am, Sir, very respectfully,

Your Obedt Servant,

UNITED STATES INDIAN SERVICE,

Sac and Fox Agency,

July 31, 1891.

Hon. T. J. Morgan,  
Com. Indian Affairs,  
Washington, D. C.

Sir:--

I have the honor in reply to Office letter ("A") June 6 ult. to forward census of the Iowa and the Sac and Fox of the Mississippi tribe of Indians. On account of lack of time and help it is impossible to obtain a census of the Mexican Kickapoos, Absentee Shawnees and Citizen Pottawatomies, other tribes at this Agency; to do so would be to incur an expense for irregular clerical labor -- and even then with much difficulty owing to these Indians being distant from the Agency and very much scattered over their reservation, and many of them at this season of the year visiting or engaged in hunting. I shall be able, however, to make a very close approximate estimate, as has been customary heretofore, of the population of these tribes, and obtain other reliable data for statistical report from their head men, which I trust will be satisfactory.

I am very respectfully,

Your Obed't servant,

*Samuel Patton*  
U. S. Indian Agent, O. T.

UNITED STATES INDIAN SERVICE,

Sac & Fox (O. Ty.)

Agency,

July 1st, 1892.

Hon. Thomas J. Morgan,  
Commissioner of Indian Affairs,  
Washington, D. C.

Sir:-

In compliance with office letter "A" of June the 9th,  
Ult., I have the honor to forward a Census of the Sacs & Foxes of  
the Miss., Iowas and the Citizen Band of Pottawatomies, the latter  
comprising only those residing in the Territory, as you are  
aware large number of this band are residents of Kansas or else  
where.

I do not think it practicable at this time to take a  
Census of the Mexican Kickapoos, but this can be accomplished at  
the time when they receive allotments, I will submit a careful  
estimate of their number in my Annual Report.

The Census of the Absentee Shawnee Indians will also be  
forwarded at an early day.

Very Respectfully,

Your obedient servant,

*Samuel L. Patrician*  
U. S. Indian Agent.

Sac & Fox (O. Ty.) Agency,

Sept. 2nd, 1892.

Hon. Thomas J. Morgan,  
Commissioner of Indian Affairs,  
Washington,  
D. C.

Sir:

Under date of July the 1st Ult. I forwarded Census  
of Sac & Foxes, Iowas, and Citizen Band Pottawatomies,

I now enclose Census of the Absentee Shawnee Indians,  
which leaves only the Mexican Kickapoos to report upon.

In regard to the letter I have the honor to state that  
this office has never possessed a Census of the Mexican  
Kickapoos as heretofore they have resisted every effort made  
to obtain the names, and ages of their wives and children.

If their recent Treaty had been ratified by Congress I  
could have obtained their names etc. without difficulty, but  
now they are some what uneasy in mind and displeased at the  
failure of Congress to take action thereon.

They are very suspicious and I think it impracticable at  
this time to attempt to enumerate them.

I would estimate the Mexican Kickapoos as follows,  
Viz:-80 men; 160 women; and 85 children; Total 325.

Very respectfully,

Your obedient servant,

*Samuel Patterson*

U. S. Indian Agent

Hon. W. M. Browning,  
Com<sup>d</sup> Ind<sup>n</sup> Affairs,  
Washington, D. C.

Sir:-

I have the honor to forward herewith  
Census of the Sac Foxes and Iowa -  
the Mexican Kickapoo are opposed to  
giving up the names of their wives &  
children, and it would be impossible  
without considerable time & expense to  
secure anything like a reliable census  
of the Absentee Shawnees & Citizen  
Potawatomis; as their allotments  
are scattered over thirty miles square  
of country, consequently I have estimated  
the numbers of those two tribes, and Chief  
Oagimoc-Kesee of the Kickapoo have given me a  
pretty accurate count of his tribe.

Very respectfully,

Samuel R. Smith

UNITED STATES INDIAN SERVICE.

*Sac and Fox Agency, Oklahoma.*

*August 22nd 1894.*

*Hon. D. M. Browning,  
Commissioner Indian Affairs,  
Washington, D. C.*

*Sir:*

*I have the honor to forward Census of the tribes belonging  
to this Agency.*

*Every effort at my command, has been used to get a correct  
enumeration of each tribe, but found great difficulty in  
securing a correct list of the Pottawatomies and Absentee  
Shawnees, as they are continually changing their residence  
from the Territory to Kansas.*

*I am satisfied that the list sent in, is as correct  
as can be obtained with the assistance at my command.*

*Your obedient servant,*

*Edward L. Thomas*

*U. S. Indian Agent.*

Washington, D. C.

Sir:

I have the honor to forward the Census of the Indians of this Agency. I have endeavored to get the numbers accurately, but with all my efforts, I fear that they are not as exact as they should be, but it is impossible to get them up in any better shape.

Very respectfully,
